From the President's Pen

by David Isaacson

Shalom!

I hope you had a blessed Hanukkah and Messiah-mas season as you recounted both the rescue of the Jewish people from their Seleucid oppressors in 165 BCE, as well as remembered the birth of Messiah Yeshua, the light of the world.

We continue to pray for God's intervention to rescue His chosen people from annihilation by those who hate both Israel and the God of Israel. Let's be vigilant in prayer for the release of all hostages, an end to the war, and the recognition of Yeshua the Messiah by all Jewish people.

Towards Jerusalem Council 2: Conference

This is a FREE, 3-day conference which will be held from 5-7 March in Sydney, at the Servants of Jesus Centre in Seven Hills.

TJC2 is a worldwide interdenominational and non-denominational movement started by Messianic Rabbi Marty Waldman from Texas. Its aim is to unite Christians and Messianic Jewish believers from all nations (see <https://www.tjciieurope.eu/>)

The conference is free, but you need to book online to reserve your place. Scan the barcode which will take you to Trybooking.

Ashley and I will be attending to be part of the worship team. Ashley will also be leading an oneg Shabbat celebration at the end of the conference.

We hope to see you there!
